Lydia's Place serves young adults age 14 - 26 who have experienced foster care or homelessness. Built on Christian principles, we seek to demonstrate God's love by providing basic needs during the transition to independent living. Our goals for this event are to provide an environment that helps promote our services and ministry to the community so that more people know about Lydia's Place and its mission; as well as create a fun and entertaining environment that celebrates what we have already accomplished and what we plan to in the future!

In Georgia, on average 400 young adults age out of foster care each year. Of those, statistics show that 20% will be homeless. Founded in Athens, GA in 2017, Lydia's Place has already made an impact to change those statistics:

- Provided college students baskets (which include bedding, towels toiletries, snacks, gift cards and often a personal note from the donor)
- Funded and decorated a dorm room at the University of Georgia used for emergency housing needs while students seek long-term housing during 2017-2018 school year
- Partnered with local businesses to give laptops to high school students who are currently in foster care or have recently been adopted out of foster care.
- Implemented a donation closet at Athens Technical College to provide food and clothing to students in need
- Started the Damien Godfrey Scholarship which will be given to a deserving young adult each year.
